Romi appoints Alternative Machine Tool, LLC as a Midwest distributor

Erlanger, KY—Romi Machine Tools Ltd. has appointed Alternative Machine Tool, LLC. as its distributor for Wisconsin, Iowa, and the Upper Peninsula of Michigan.

Founded in 2001, Alternative Machine Tool, LLC. has a solid reputation for its top quality machine tools and service above and beyond expectations. Alternative offers a complete in-house CNC, demo, and service department with 3 trucks on the road daily making service calls and deliveries. The headquarters facility has over 2,000 sq. feet of showroom space with an 8,000 sq. foot warehouse.

Alternative will offer Romi Machine Tools sales and service including application assistance, training, repair and spare parts.

Alternative's headquarters is located at:

Alternative Machine Tool, LLC
300 Venture Drive
Dousman, WI 53118
Ph. (262) 965-3655
www.alternativemachinetool.com

Romi is one of the world's largest machine tool builders with an installed base of more than 150,000 machines. The company manufactures metal cutting machine tools, plastic injection molding machinery at its 9-plant, 1.5-million sq. ft. industrial complex in Santa Santa Barbara d'Oeste, Sao Paulo, Brazil.

Romi's captive foundry supplies castings for its own line of machine tools as well as for other customers around the world. The company services US customers from its Erlanger, KY facility.
