Romi appoints TITAN MACHINERY SALES as Illinois and Northern Indiana distributor

Erlanger, KY—Romi Machine Tools Ltd. has appointed TITAN MACHINERY SALES as its distributor for Illinois and Northern Indiana.

Founded in 1997, TITAN MACHINERY SALES has an excellent history of providing high-quality machine tools to meet the demanding needs of our industry. TITAN MACHINERY is a full-service distributor offering customers fast and reliable service including parts and machine tool rebuilds. The headquarters facility has over 12,000 sq. feet of showroom and warehouse space.

TITAN MACHINERY SALES will offer Romi Machine Tool sales and service including application assistance, training, repair and spare parts.

TITAN MACHINERY headquarters is located at:

TITAN MACHINERY SALES
511 Telser Road
Lake Zurich, IL 60047
Ph. (847) 726-7660
www.titanmachinerysales.com

Romi is one of the world's largest machine tool builders with an installed base of more than 150,000 machines. The company manufactures metal cutting machine tools, plastic injection molding machinery at its 9-plant, 1.5-million sq. ft. industrial complex in Santa Barbara d'Oeste, Sao Paulo, Brazil.

Romi's captive foundry supplies castings for its own line of machine tools as well as for other customers around the world. The company services US customers from its Erlanger, KY facility.
